connecting
science to
recovery

**Do you have
an appointment
or are you coming to visit?**

These are our current arrangements:

- Please do not come if you are showing symptoms
- If possible, try to avoid using the toilet
- Remember to wash your hands
- Always report to reception, no more than 10 minutes before your appointment
- Keep a distance of 1.5 metres
- Do not shake hands
- Follow the instructions at the location for the use of public areas

At GGZ inGeest, we follow the recommendations and guidelines of the government (RIVM) and GGZ Nederland, where possible.
